Dear Exhibitor,

Thank you very much for your participation in Bari-Ship 2023.
Exhibitor News provides you with important information related to your preparations for exhibiting in the show.
To maximize the effectiveness of your participation in Bari-Ship, please take some time to check through the following information.

[Topics]

1. Exhibitor presentation application
2. Additinal promotional items application
3. Latest Floorplan

1. Exhibitor presentation application (deadline: 13 January 2023)

Applications for exhibitor presentation are now open.

In addition to one-to-one meetings on your booth, giving an exhibitor presentation can help you to promote your products and services to a wider audience of visitors. There are two options for the exhibitor presentation, one is to be held onsite and the other is streamed online before the show.

[Advantage of online presentation]

- Presenting your products, services and technologies in advance of the exhibition can increase the number of visitors to come to your booth and they will be prepared to ask more detailed questions about your offerings.
- Online streaming enables you to reach a much wider audience of potential customers than just those who visit the exhibition in person
- An online presentation will provide you with the contact details of persons who are interested in your products, so you can reach out to them and invite them to visit you for a meeting on your booth

[Onsite presentation]

- Enables you to meet with a wider range of attendees to the exhibition.
- Enables you to invite presentation participants to meet you on your booth.

2. Additional promotional items application

The organizer has arranged a variety of additional promotional items to enhance your participation in the exhibition and stand out against the many other companies that exhibit at Bari-Ship. Please consider additional promotions to increase the number of visits to your booth, such as a banner advertisement on the Bari-Ship website, and eDM to the Bari-Ship registrants, or an advertisement on materials distributed on site.

Some items are already sold out, so please contact the secretariat office for the availability of applications.
